

# Heat Policy

This heat policy is to ensure the safety of all at our Cranbourne West Studios. Whilst our studios are equipped with air-conditioning and fans, this policy has been created to ensure the health and safety of all our students, staff and families as heat stress and associated illness are very serious conditions.

---

**When the temperature reaches 30 degrees Celsius or higher (at Cranbourne West)** - classes will be modified for students to ensure they receive quality training, that is delivered safely. This may include less cardio and more stretching, “marking” through routines and other activities such as goal setting and performance skills. In some cases, classes, may be moved to our smaller room.

---

**When the Temperature (at Cranbourne West) reaches 35 degrees Celsius** during the day, we ask parents/guardians to please use their discretion as to whether to send your child for class. Some students will cope better than others in the heat. This may also depend on their activities during the day leading up to their class. For example, a sports day at school.

---

**When the temperature reaches 38 degrees Celsius during the day (at Cranbourne West)** classes will be cancelled unless a cool change is expected prior to the start of classes. This will be communicated to our families and **all families affected will be notified via SMS.**

---

As the weather is out of our control, **we unfortunately do not offer refunds or credits for missed classes, we do however, as always, offer make ups.** Your child is not required to attend a make up in the same style as the class missed and as per our terms and conditions must be organised within the current term. To book you make up, please contact us to arrange.

**Please ensure your child brings water to each class. This is imperative.**

We thank you for your understanding and support.  
Jenny, Michelle and The Confident Kids Team :)

**By signing this policy, you are agreeing to follow the above policy, as set out by the Confident Kids Performing Arts School/Inspire Academy.**
